## Shooter information

Please note: The North Island Compak Championship will be shot in 18 minute waves and will have all SIMO PAIRS on each field. This was done to speed up the competition and give time for the fields to be changed on Friday afternoon. This will give you approx. 50 minutes between events on Friday. We will NOT be waiting for shooters who are late. Please be on time!

Squads must backup to see the targets. The only sighters will be for the first squads of the day or after a breakdown or delay.

Shooters do not need to call their targets. The referee will have a copy of your menu.

In the event of a shoot-off, places HOA, 1st - 3rd will be decided by shooting a round of 25 targets on a new layout. Places below 3rd will be decided with a count back as per rule 18.2.

If your grade or category need updating please let the office know when you arrive. Please pay your entry at the office before shooting starts.

All shooters are required to wear a shooter number, these can be collected from the office before the event. Please allow time before you start to organise your shooter number.

Drinks, refreshments and lunch will be offered all 3 days. An early breakfast will be available on Saturday and Sunday, but must be pre-ordered the day before.

**Please ensure that your firearms are under your direct supervision at all times. All unattended firearms should be locked safely in your vehicle.**

### Shoot Jury:
